

PARKING SERVICES DEPARTMENT
100 EAST BRYAN STREET/PO BOX 2101
SAVANNAH, GA 31402
COMMERCIAL VEHICLE DECAL

The purpose of the Commercial Decal Program is to provide temporarily parking for companies who provide services which include maintenance, construction and repair.

Requirements

You must provide a current copy of your Business Tax Certificate for the current year. **Only the Business Tax Certificate for that current year will be accepted. The previous year's Business Tax Certificate WILL NOT be accepted.**

Fee

The cost of each commercial decal is \$150.00 and is prorated every quarter beginning April 1st of each year. A replacement fee will be assessed to damaged decals upon presenting the previous decal.

Duration

Commercial Decal renewals begin January 1 of each year and expire December 31 of the same year. Parking citations for expired Commercial Decals will be issued beginning February 1st of each year.

Rules and Regulations

The following rules were established to ensure that all commercial vehicles have an opportunity to use freight zones, lanes, and bagged meters. There are many companies who participate in this program and it is to the benefit of everyone if each company complies with the following rules and regulations.

Freight Zones and Lanes

Use of freight zones and lanes is prohibited unless active and visible loading and/or unloading, or servicing is underway. If your activity requires you to exceed 30 minutes you must contact the Parking Services office at (912)651-6474 to request additional time. Citations will be issued to vehicles exceeding the time limit without approval.

Parking Meter Bags

To qualify for parking meter bags, your activity must require constant access to your vehicle for loading/unloading large or heavy maintenance, repair, or construction material. Companies who provide services that do not involve loading/unloading heavy maintenance, repair, or construction material do not qualify for meter bags, but may use freight zones and lanes. Parking meter bags must be removed after 2 hours unless you have received prior approval from Parking Services. Meter bags must be removed once you leave the work site. Each meter bag will include your company name, vehicle tag number, and your commercial decal number. If your meter bag is used improperly it may be removed by Parking Services, and citations will be issued. **You may not bag 30 min. meters.**

If you park at a multi-space parking meter the meter bag should be displayed on the dashboard of the vehicle.

Placement of Decal

The decal must be permanently affixed to the lower windshield, passenger side.
